DECLARATION PURSUANT TO 37 CFR § 1.132

I, David Michael Evans, hereby declare as follows:

- (1) I believe that I am the original, first and sole inventor of the subject matter claimed in the captioned application, as previously stated on the Declaration and Power of Attorney that I signed on September 8, 2004.
- (2) I understand that the Examiner has questioned the inventorship of this application in view of the publication Griesbacher, et al., "Involvement of tissue kallikrein but not plasma kallikrein in the development of symptoms mediated by endogenous kinins in acute pancreatitis in rats" *Br.
